

## SPECIAL BARGAINING COMMITTEE REPORT #2

### Bell Canada - Clerical and Associated

Sisters and Brothers,

Bell Canada met the union on May 27, 2009 to advise us they wish to invoke Article 18 of the Clerical and Associated Collective Agreement affecting the members in SMB Customer Experience Team under Liliana Muzzone and SMB CSC/BDMC/Vision under Sonja Jowett.

The Company wants to reduce hours in these groups up to a period of 9 months.

A committee including a National Representative and a Local President from each region will be working on options to present to the Company. The committee has 30 days to agree on a solution.

We will keep you informed on any developments as the committee progresses. If you have any questions about Article 18 please contact your local steward.

If you have any questions about why the company wants to invoke this article please see your manager.

Updates can be found on the Ontario Region website at <http://www.cep.ca> and on the Quebec Region website <http://www.scep.ca>.

In solidarity,

Your Bargaining Committee
