

BARGAINING REPORT # 7

Bell Canada - Clerical and Associated

Sisters and Brothers,

This week the union and the company continued to exchange details of their respective positions in relation to the following issues:

- Paid Days off
- Premium and Differential Pay
- Union Time
- Vacations and Statutory Holidays
- Workforce Adjustment Plan
- Temporary Work Assignments
- Achievement Incentive Plan
- Cost of Living Allowance

As indicated in last week's communication, both sides committed to have the details of their demands articulated by the end of next week.

As you may be aware, many of the company demands presented to this point are indeed concessions. The union continues to work hard to move this negotiation in a positive direction and are committed to having a recommended position to present to the membership as soon as reasonably possible.

Please continue supporting your bargaining committee during these negotiations.

Updates can be found on the Ontario Region website at <http://www.cep.ca> and on the Quebec Region website www.scepquebec.qc.ca

In solidarity,

Your Bargaining Committee
