

BARGAINING REPORT # 9

Bell Canada - Clerical and Associated

Sisters and Brothers,

This week, after extensive dialogue with the company regarding several key issues, both sides continued to work independently within our respective caucuses on preparing our responses.

During our face to face meetings a very strong message was delivered to the company regarding several of our key issues, including Job Security, Post Retirement Benefits, and The Workforce Adjustment Plan.

It is crucial to address these issues before moving to other priorities as we work towards a settlement.

Please continue supporting your bargaining committee during these negotiations.

Updates can be found on the Ontario Region website at <http://www.cep.ca> and on the Quebec Region website www.scepquebec.qc.ca

In solidarity,

Your Bargaining Committee
