SPECIAL PENSION WORKSHOP

► Members at home can even join a special workshop: On Tuesday, September 21 at 2 p.m., listen in to pension experts and campaigners, and then join the discussion on how your union can step up the fight for pension reforms. Send in your ideas and suggestions online and we will share them with convention delegates during the session.

DELEGATES WON'T MISS A BEAT...

► For delegates at convention, an Internet café set up in the foyer outside the main hall will provide access to *ceplive.ca*. You can watch convention videos on demand, check out the photo gallery, read the news and catch the latest announcements. The website will also run remotely on nearby widescreens.

Watch the main CEP website (www.cep.ca) and *The Activist* newsletter for more information about this exciting new communications initiative.
