**JOINT LABOUR MANAGEMENT COMMITTEE FOR**  
**BELL CANADA CLERICAL & ASSOCIATED MEMBERS**

---

On September 23<sup>rd</sup> we held our first meeting of the new Joint Labour Management Committee for the Clerical bargaining unit.

We signed the collective agreement which we hope to see published and distributed in about two months.

We also discussed the implementation of at least 100 conversions of Regular Part Time to Regular Full Time jobs. Unfortunately we are not yet in agreement with the company about the criteria for choosing the 100 employees, although seniority will most definitely be an important factor. As well, part of the challenge is perfecting the data of actual hours worked by the 832 RPTs in the bargaining unit.

We also reviewed the conversion to permanent part time of several temporary employees with at least 36 months of service.

We are meeting again on December 4<sup>th</sup> with the goal of finalizing the 100 conversions to permanent full time.

In Solidarity.
